

Quick, Adhesive-Free Joining

Manufacturers and users of automated machinery for the printing and paper processing industry rely on Habasit tapes and round belts for those demanding applications where down time simply cannot be tolerated. Habasit has a product line of machine tapes and round belts that can be spliced on your equipment within five minutes without the use of potentially dangerous chemicals or adhesives.

Hamid® Quickmelt Joining Kit

Kit# HQJK-01

- PQ-58 Press
- AQ-40 Quickmelt Cutter
- CD-60 Cooling Tongs
- Digital Timer
- Kit Case

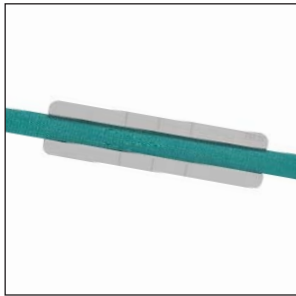

Hamid® Flexproof Joining Kit

Kit# HFJK-01

- PQ-58 Press
- AQ-40 Quickmelt Cutter
- CD-60 Cooling Tongs
- AF-102 Flexcutter
- Digital Timer
- Kit Case

Quick, Adhesive-Free Joining

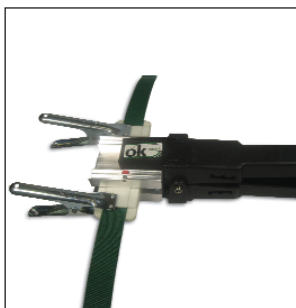

Fixed Guide Rail

PQ-58 Press
